Granzow moved, McClellan seconded that the following Resolution No. 2018-07, Opioid Litigation Resolution, be adopted. Roll Call Vote: "Ayes" Granzow and McClellan. "Nays" None. Absent: Hoffman. Resolution No. 2018-07 is hereby adopted as follows:

#### RESOLUTION NO. 2018-07

TO THE HONORABLE BOARD OF SUPERVISORS OF HARDIN COUNTY, IOWA MEMBERS,

**WHEREAS**, Hardin County ("County") is concerned with the recent rapid rise in troubles among County citizens, residents, and visitors in relation to problems arising out of the use, abuse and overuse of opioid medications, which according to certain studies, impacts millions of people across the country; and

**WHEREAS**, issues and concerns surrounding opioid use, abuse and overuse by citizens, residents and visitors are not unique to County and are, in fact, issues and concerns shared by all other counties in Iowa and, for that matter, states and counties across the country, as has been well documented through various reports and publications, and is commonly referred to as the Opioid Epidemic ("Opioid Epidemic"); and

**WHEREAS**, the societal costs associated with the Opioid Epidemic are staggering and, according to the Centers for Disease Control and Prevention, amount to over \$75 billion annually; and

**WHEREAS**, the National Institute for Health has identified the manufacturers of certain of the opioid medications as being directly responsible for the rapid rise of the Opioid Epidemic by virtue of their aggressive and, according to some, unlawful and unethical marketing practices; and

**WHEREAS**, certain of the opioid manufacturers have faced civil and criminal liability for their actions that relate directly to the rise of the Opioid Epidemic; and

**WHEREAS**, County has spent money related to the opioid epidemic and will likely have to spend more money in the future in unexpected and unbudgeted time and resources in its programs, law enforcement (inclusive of prosecution costs) and services related to the Opioid Epidemic; and

**WHEREAS**, County is responsible for a multitude of programs and services, all of which require County to expend resources generated through state and federal aid, property tax levy, fees and other permissible revenue sources; and

**WHEREAS**, County’s provision of programs and services may become more and more difficult every year because the costs associated with the apprehension and prosecution of criminal offenders, along with the costs associated with providing the Opioid Epidemic programs and services continue to rise, yet County’s ability to generate revenue is limited for a variety of reasons, including stagnant or declining revenues to the County, including less state and federal aid to County; and

**WHEREAS**, all sums that County expends in addressing, combatting and otherwise dealing with the Opioid Epidemic are sums that cannot be used for other critical programs and services that County provides to County citizens, residents and visitors; and

**WHEREAS**, County has been informed that numerous counties and states across the country have filed or intend to file lawsuits against certain of the opioid manufacturers in an effort to force the persons and entities responsible for the Opioid Epidemic to assume financial responsibility for the costs associated with addressing, combatting and otherwise dealing with the Opioid Epidemic; and

**WHEREAS**, County has engaged in discussions with representatives of the law firms of Crueger Dickinson LLC, Simmons Hanly Conroy LLC, and von Briesen & Roper, s.c., (the “Law Firms”) related to the potential for County to pursue certain legal claims against certain opioid manufacturers; and

**WHEREAS**, County has been informed that the Law Firms have the requisite skill, experience and wherewithal to prosecute legal claims against certain of the opioid manufacturers on behalf of public entities seeking to hold them responsible for the Opioid Epidemic; and

**WHEREAS**, the Law Firms have proposed that County engage the Law Firms to prosecute the aforementioned claims on a contingent fee basis whereby the Law Firms would not be compensated unless County receives a financial benefit as a result of the proposed claims and the Law Firms would advance all claim-related costs and expenses associated with the claims; and

**WHEREAS**, all of the costs and expenses associated with the claims against certain of the opioid manufacturers would be borne by the Law Firms; and

**WHEREAS**, the Law Firms have prepared an engagement letter, which is submitted as part of this Resolution (“Engagement Letter”) specifying the terms and conditions under which the Law Firms would provide legal services to County and otherwise consistent with the terms of this Resolution; and

**WHEREAS**, County is informed that the Iowa Counties Association has engaged in extensive discussions with the Law Firms and has expressed a desire to assist the Law Firms, County and other counties in the prosecution of claims against certain of the opioid manufacturers; and

**WHEREAS**, County would participate in the prosecution of the claim(s) contemplated in this Resolution and the Engagement Letter by providing information and materials to the Law Firms and, as appropriate, the Wisconsin Counties Association as needed; and

**WHEREAS**, County believes it to be in the best interest of County, its citizens, residents, visitors and taxpayers to join with other counties in and outside Wisconsin in pursuit of claims against certain of the opioid manufacturers, all upon the terms and conditions set forth in the Engagement Letter; and

**WHEREAS**, by pursuing the claims against certain of the opioid manufacturers, County is attempting to hold those persons and entities that had a significant role in the creation of the Opioid Epidemic responsible for the financial costs assumed by County and other public agencies across the country in dealing with the Opioid Epidemic.

**NOW, THEREFORE, BE IT RESOLVED:**

County authorizes, and agrees to be bound by, the Engagement Letter and hereby directs the appropriate officer of the County to execute the Engagement Letter on behalf of the County; and this authority is retroactive to the date the letter was signed by Hardin County Attorney, Richard N. Dunn; and said authority is confirmed by this Resolution; and

**BE IT FURTHER RESOLVED:**

County shall endeavor to faithfully perform all actions required of County in relation to the claims contemplated herein and in the Engagement Letter and hereby directs all County personnel to cooperate with and assist the Law Firms in relation thereto.

Whereupon, the Chairman of the Board of Supervisors declared said Resolution duly passed and adopted this 10<sup>th</sup> day of January, 2018.
