Friendship Club Changes: Transportation and Schedule

Two changes have taken place recently affecting the Friendship Club and its members. The first change regards transportation to and from the Clubhouse. Effective February 17th, members needing transit receive transportation to and from the Friendship Club within Iowa Falls from Region 6/Peoplerides. This change provides more flexibility and more efficiently utilize transit resources available.

Members are reminded of the following:

- Call Peoplerides a day ahead of the needed ride if possible (641-752-6202) to schedule a ride. Members may also set a regular scheduled pick-up so that they do not have to call each time.
- Peoplerides will pick up members at their home at the scheduled time and will return them home from Club.
- No tickets are needed. Peoplerides will keep track of the rides and bill the appropriate fun ding source at the end of each month.
- There will be no cost to members for rides to/from the Clubhouse program, however, rides are only to be used for transit to the Club .

The second change, to accommodate the transit service schedule, is a change in program hours. The Friendship Club is now open 10:30 a.m. to 3:30 p.m. on Monday, Wednesday, and Friday. This means the Club will open and close one-half hour earlier than the previous schedule.

Anyone with an questions regarding the changes may contact Kathy Vitasek at the Clubhouse (648-7500) or Linn Adams (939-8168).

"The bad news is time flies. The good news is you're the pilot."
-Michael Altshuler

PARTICIPANT POLICY CHANGE

The FIA Advisory Board implemented a new policy for Club members to be eligible for the FIA Christmas gift program. Effective January 1, 2014, Friendship Club members must attend Club at least once during each quarter of the calendar year---meaning at least once between Jan. 1st -Mar. 31st; and, April 1st- June 30th; and, July 1st- Sept. 30th; and, Oct. 1st - December party date. Any questions can be directed to Linn Adams (641-939-8168).
