The great thing about walking with God in life is that there is always the opportunity to start anew - God always offers us a new day and a new dawn, no matter what has gone before. At the start of the New Year, why not take a moment to thank Him for last year, ask His forgiveness for where you have failed, and dedicate this new year to Him - to serve Him and love Him afresh.

## Access, Inc Opening Transitional Living Center

Access, Inc is opening a Transitional Living Center at 1123 1<sup>st</sup> Ave N, in Iowa Falls. The center is designed for residents of the Central Iowa Community Services (CICS) Region that have a desire to live in an environment where they will create and carry out a plan to a stable, affordable living arrangement that meets their needs. Residents may stay up to 90 days at the TLC while they work to complete the steps necessary to reach the goals identified in their transition plan. During that time they will connect to a network of resources including a regional service coordinator. The program is designed to primarily serve Franklin, Hardin, Hamilton and Marshall counties, however individuals from other counties within CICS are eligible for admission at the discretion of CICS.

## New Year's Humor

Trevor's New Year's Eve party was an annual occurrence with numerous guests arriving. During the evening, a man knocked on the door, was greeted heartily although no one knew who he was, and was led to where the drinks were, in the kitchen. He sat there happily, chatting away, for a couple of hours before a strange light dawned on his face. 'You know,' he confided to Trevor, 'I wasn't even invited to this party. I just came over to tell you that some of your guests' cars are blocking my drive.' He continued, 'My wife's been sitting out in the car waiting for me to get them moved, so that we can go out.'

Moxie Day person this month was Josh, and he showed us how to make key chains with beads and cording. With a huge variety of colored beads, no two key rings looked alike! Good job, Josh!

Bowling continues to be a very popular activity at the Friendship Club.
