Drive Extra Safely on Halloween

Traditional Scottish Prayer

From ghoulies and ghosties
And long-legged beasts
And things that go bump
in the night,
Good Lord, deliver us!

On September 30th the Friendship Club, along with volunteers and friends, dedicated the grill that was purchased with memorial money from Kevin Dunn's family at his passing. We cooked hotdogs, burgers, brats and chicken on the grill, and enjoyed a wonderful meal together. Our picnic table was also purchased with memorial money from the Dunn family at the passing of Alvina Dunn. We will continue enjoying the table, and now also the grill, and remember some very special people.

We had some great experts at the grill, and they cooked up some awesome grub! Thanks!!

After our meal we went together to attend the **Joan Becker** presentation at the Bethany Lutheran Church, a very educational and heart wrenching family story and experience involving mental health. Joan uses her family's experience to help educate others on dealing with mental health and getting help needed.

Special THANK YOU to Wes Wiese for the great job of installing our grill! Thanks so much, we are enjoying using the grill, and plan on using it as often as we can.

We would like to extend a huge
“Thank You”

To Church Women United
for the generous donation we received from them.
They work so hard at the Thrift Store, and give so much
to the community. Thank you so much, ladies.

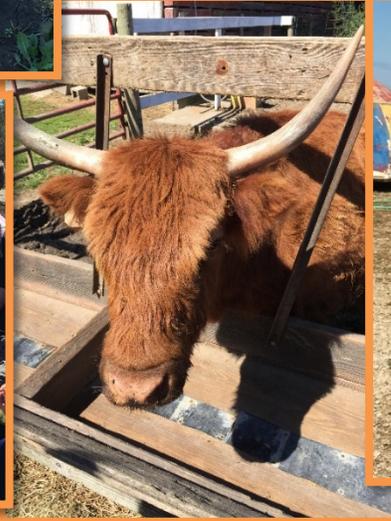

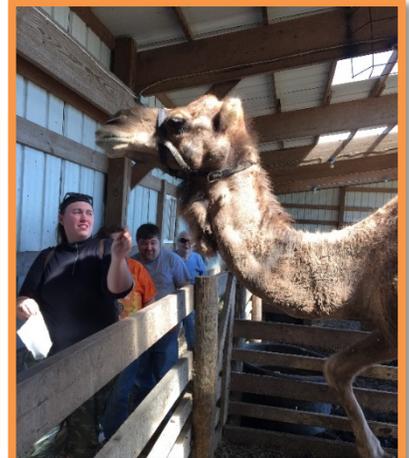

The Knights of Columbus treated the Friendship Club, as well as other groups, to a free soup supper, and used this occasion to present us with a donation check. It was wonderful to be the recipients of fellowship, food and funds! Thank you so much for your thoughtfulness and generosity.

We spent a fun afternoon at the Barn Stahl Farm Petting Zoo near Wellsburg. There was a huge variety of animals to pet and observe. We recommend it!
