To Landowners of Drainage District 67:

Attached you will find the notice of public hearing on the Reclassification Report for Main and Classification Report for Lateral One for DD 67. Below are a few items to point out:

- The hearing will take place on Tuesday, June 4, 2019 at 10:00 A.M. in the lower level conference room of the Hardin County Courthouse.
- A copy of the classification reports are on file in the Auditor's Office and available online.
- If you feel the reports should not be accepted, you must file any objections in writing to the Auditor's Office by the time of the hearing.
- There is currently not an existing project, but once the Trustees approve the classification reports, those amounts will be used for all future assessments. Although any future repairs may not be in your direct area, ALL property owners (including yourself) within the districts' boundaries are financially responsible for work done in the district. Because the classification report stays on file and is used for any future projects, it is important that you understand your percent of benefit and file any objections by the time of the hearing.

If you have any questions or concerns, please feel free to contact Keith Helving, Gary Rabe or Dennis Prochaska, your Trustees for DD 67. You can also contact the Drainage Clerk at (641) 939-8113 or by email at drainage@hardincountyia.gov.

Sincerely,

Becca Junker
Hardin County Drainage Clerk
